

## **Service Department Update**

### **Service Director**

### **Andy Bashore**

### **January 10<sup>th</sup> 2022**

#### **Street Department:**

The crews will complete the leaf collection program this week. The crews will start on pothole repairs later this week.

#### **Water and Sewer Department:**

The Water/Sewer crew continues to clean and video the main lines, which is providing data for upcoming lining projects. The crew has been performing repairs on issues that were found when videoing the main lines.

#### **Urban Forestry/Grounds Maintenance:**

The crews are working on tree pruning throughout the city and also stump removals.

#### **Drexel Project**

Drexel-Main to Broad-The water main line work is complete. Storm inlets have been installed, there are a few to still be installed around CSG, which will be done during the school's spring break. The concrete work will resume in the spring, which will include curbs, medians, and bump outs. The sewer relining work is 90% complete and will resume in early winter. AEP has started their pole replacement and should be done in late January.

#### **2022 Street Project-**

The project is complete.

### **Chelsea Sewer Relining Project**

The project is underway. The project will be complete in mid-February. The main portion of the project will be in the alley between Chelsea and Grandon.

### **2022 Sewer Lining Project**

The phase 2 lining project will start in mid-February, which include both sanitary and storm sewer work.

### **2022 Sidewalk Project**

The project is finished, the project area was:

Stanwood to Gould in the north and central sections and Vernon to Chelsea in the south.

### **Service Dept. Highlights**

- The annual lead and copper testing is complete and the City was in compliance.
- Finalized the 2023 working agreement with Franklin Soil and Water.
- Finishing up a street lighting project around the Capital campus.
- The street dept. installed a brick paver walk at Schneider Park.
- The annual fall tree planting project is complete, 86 trees were planted throughout the city.
- The holiday lights have been installed on Main Street median trees.
- Two sets of flashing crosswalk signs were installed on College Ave. last week.
