

Recreation Board Meeting:

- The Recreation Board met on Wed., April 12th.
 - The board approved an alcohol request to hold the Jeffrey Jam Music Festival at Jeffrey Park on Saturday, Oct. 7th.
 - The event will be a music festival fundraiser. More details to come.

COSI Science Festival – May 3-5:

- The City of Bexley will once again host science programming as part of COSI's Annual Science Festival. The programs will include the following:
 - 5/3 – BeeBot Family Challenge: CSG invite families to join the coding craze and learn fundamental coding with a robot.
 - 5/3 – How to Make a Bagel at Fox's Bagels: Families are invited for a tour of Fox's Bagels where they will learn about the bagel making process.
 - 5/4 – You Can Too Lab: Bexley Public Library becomes a small science lab where kids can engage in a number of science related activities.
 - 5/5 - Bexley Food Tour: Enjoy tastings from Jeffrey Park's Kelveden Maple Syrup and Cherbourg Bakers. Learn about the maple syrup production and gluten free baking.
- The programs require registration which can be done by visiting www.bexelyrec.com.
- The week finishes with the Super Science Block Party on Capital's Front Lawn on the evening of Friday, May 5th from 6p-8p. Join us on the lawn for a mini science fair hosted by CSG, Bexley Schools, St. Charles, the Bexley Public Library and Capital University. Admission is FREE and does not require registration.

**Jeffrey Park Honeysuckle Removal:**

- Huge thank you to the Bexley Bloomers, led by Mary McMunn, and the volunteers students from St. Charles that came together for a honeysuckle removal service project at Jeffrey Park.
- Bexley Bloomer volunteers were joined by roughly 15 St. Charles Students, as part of a larger community service project that St. Charles was doing in honor of their 100th year.
- The volunteers focused their honeysuckle removal in the south woodlands and made some wonderful progress. Thank you to all that were involved!

**Bexley Recreation Dance Recital:**

- The Annual Dance Recital was held on Friday, April 14th at Jeffrey Park.
- Over 150 young dancers from ages 3 to 9 put on a dance performance for family and friends.
- Thank you to our amazing instructors Jennifer and Mackenzie for all of their work teaching classes and organizing this wonderful recital.
