

## **Service Department Update**

### **Service Director**

### **Andy Bashore**

**May 23, 2023**

#### **Street Department:**

The crews are working on pothole and brick repairs. Also, the crews are working on sign replacement throughout the city. The crews are assisting with dirt removal at the Commonwealth pond.

#### **Water and Sewer Department:**

The Water/Sewer crew have finished the valve turning program. The crew has been working on videoing the city's main lines and looking for issues and identifying lines for future lining projects.

#### **Urban Forestry/Grounds Maintenance:**

The crews are working on finishing the City's dog park. Also, the crews are doing tree maintenance at the Jeffery Park for the upcoming summer camp.

#### **Drexel Project**

Drexel-Main to Broad-The concrete work has started, which will include curbs, medians, and bump outs. The work is complete on the east side up to Bexley Park, the crew will start work on the west side tomorrow.

#### **2022-2023 Sewer Lining Project**

##### **Sewer Lining and Rehabilitation:**

The lining of the Storm Sewer on College Avenue (South of Mound) will be finished late this week. The Storm and Sanitary Sewers on Astor Avenue (between Pleasant Ridge and College) is scheduled to begin in early June.

## **2023 Sidewalk project**

The bid was awarded and the work will start in mid-June.

## **Columbia Gas Main Replacement Projects:**

There will be several areas of Bexley where work will be taking place this summer beginning in late May.

Columbia Gas of Ohio will be providing a map and schedule to each resident of the affected streets. These streets include:

College Avenue from Livingston to Astor

Sheridan Avenue from Mound to Sheridan Park

Sheridan Park Drive

Astor Avenue (West of Sheridan)

Main Street at Parkview

Astor Avenue from College to Pleasant Ridge

Pleasant Ridge Avenue from Astor to Francis Avenue

Francis Avenue from Pleasant Ridge to Livingston
