

## **May 31, 2023 Budget Report Summary**

### **Beecher's Bottom Line - Four things you need to know.**

- 1) Income Tax continues to out perform forecast. Through May nearly \$1.35 million has been collected in excess of forecast.**
- 2) Investment income also exceeds forecast \$195,000 YTD and last year's total through May by \$218,000. Higher invested balances to do to increased income tax revenue and significantly higher yields are the primary drivers.**
- 3) Overall revenue is better than projected by \$1 million. The amount would be higher; however grants revenue is \$532,000 under the forecasted amount due to timing of expenditures related to grants and the subsequent reimbursements.**
- 4) All four major categories of spending, General Government, Public health and Safety, Public Service and Recreation are better than forecast. As a result of this and the revenue items mentioned above, the General Fund balance as of the end of May is \$2.4 million better than forecasted.**

## City of Bexley

### Revenue Items

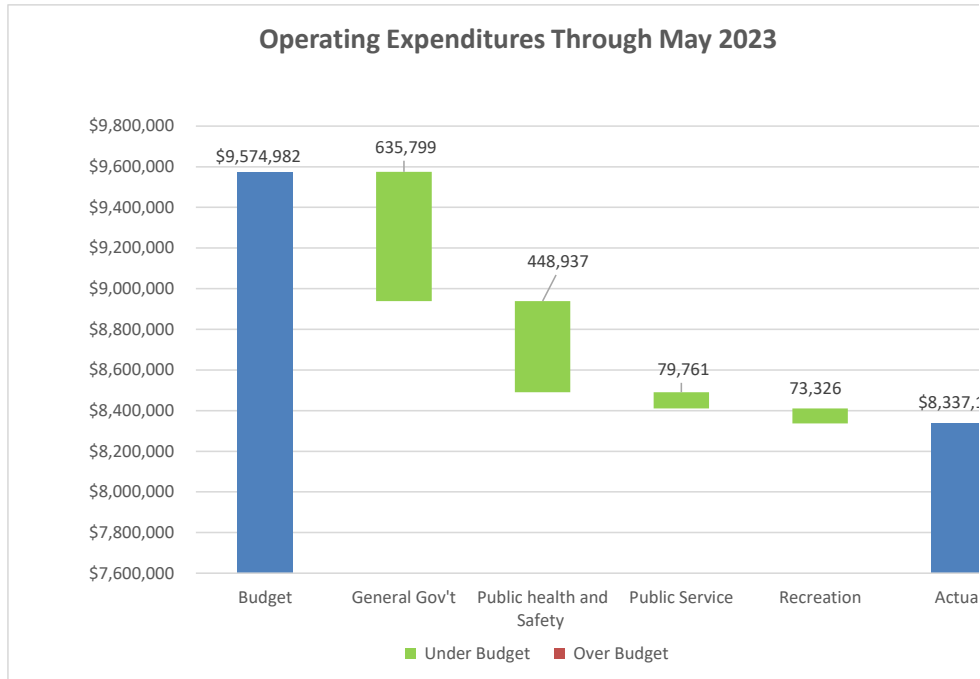

Income tax was \$185,666 better than forecast for May, and is \$1,353,341 better than budget year to date.

Interest again exceeded budget in May by \$47,000. There are a couple of contributing factors. First the City has higher invested funds due primarily to the increase in income tax revenue. In May 2022 the City had an invested balance of \$21.5 million. In May 2023 the investment balance was \$24.7 million. Also the average yield has increased from 1.26% in 2022 to 2.667% in 2023.

Grant revenue is down due to the timing of completion and reimbursement for grant funded projects. Grants expenditures are also down.

## City of Bexley

### General Government Items

Grants Reimbursed Expenditures makes up most of the positive variance (\$532,000). As noted on the revenue chart, Grants Revenue is down by an almost matching amount.

Auditor's Department expenditures are under budget by \$66,000, primarily due to higher than anticipated contract rebete from RITA.

Development Department expenditures are over budget \$62,000 due to a payment to the schools for tax sharing that was inadvertently not paid in 2022. money for this expenditure was appropriated in Ordinance 1-23.

The Building Department is under budget \$79,000. Professional Contracts and Design Review and Planning within this department have a combined budget of \$265,000 but only \$52,000 has been expended YTD.

### Public Health and Safety Items

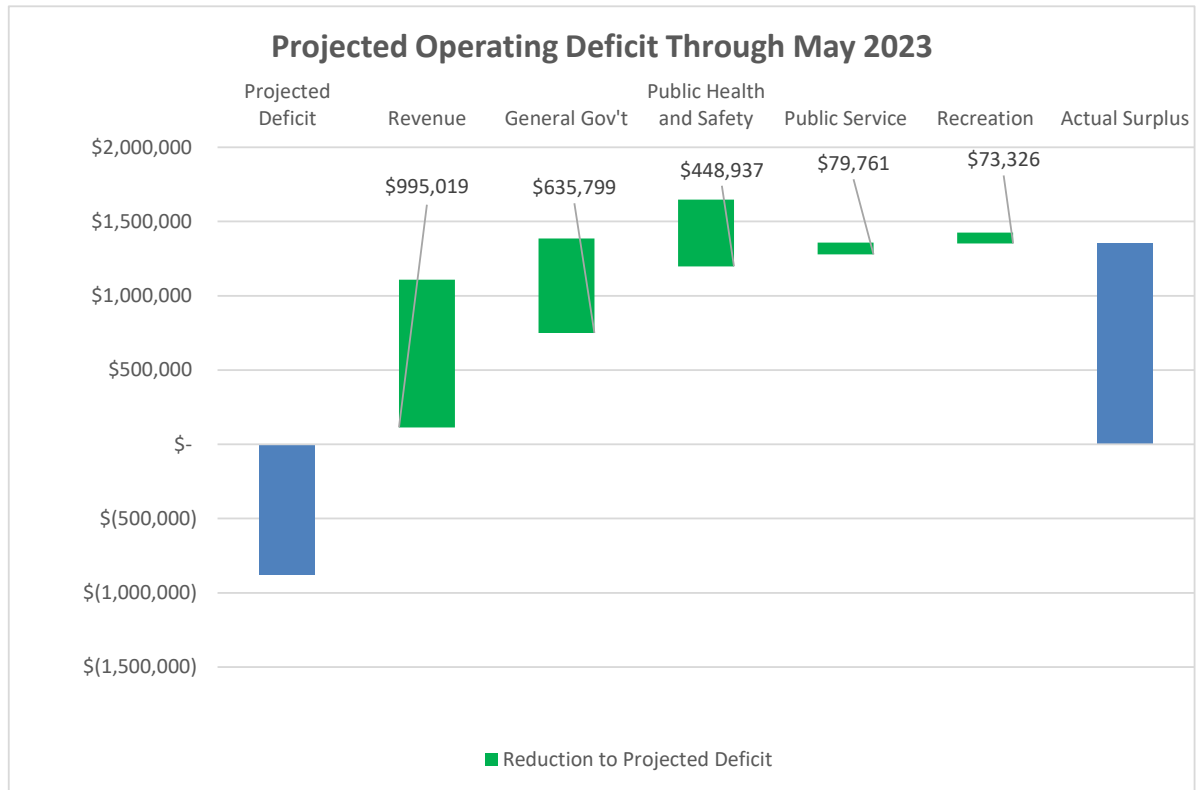

Street Lighting has a positive variance of \$70,000. The utilities account within this department has a budget of \$100,000 but only \$261 expended YTD.

### Recreation Items

Parks Department expenditures are under budget by \$50,000. The Contracts and Parks Planning line items have a combined budget of \$89,000 but only \$5,000 expended YTD.

## City of Bexley

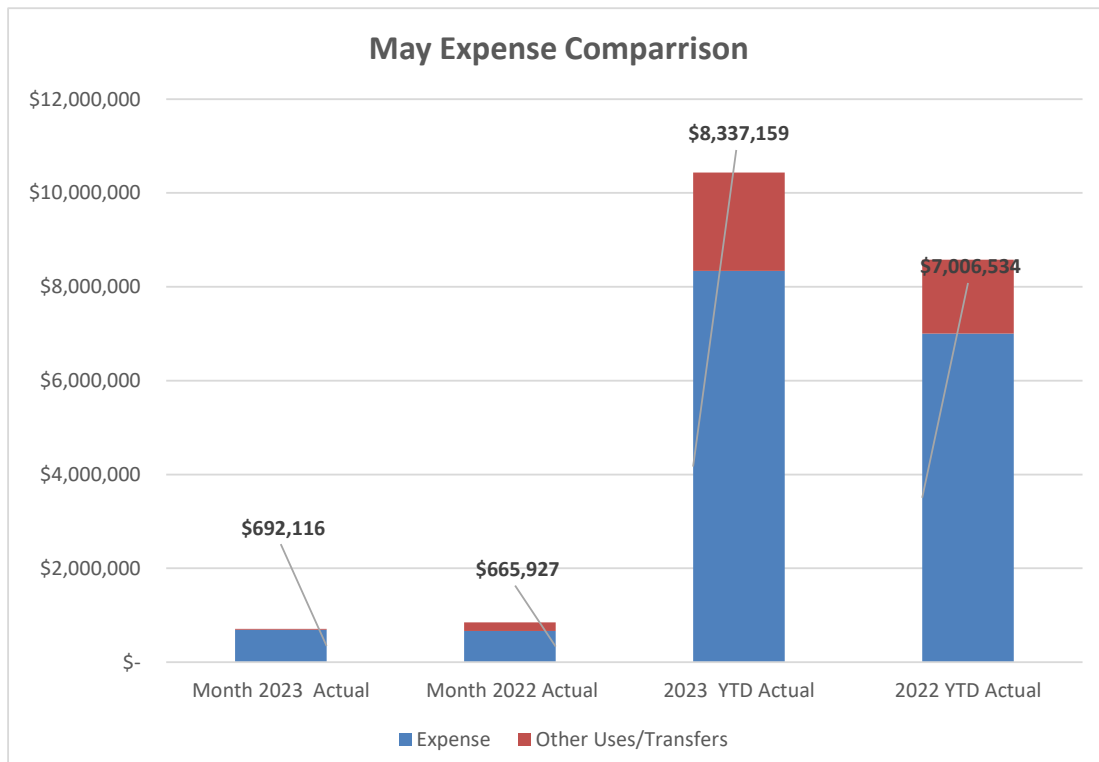

### Early Year Deficit

Typically, the General Fund shows a deficit in the early part of the year, \$800,000 projected YTD. This is due to the large amount of operating transfers in the early part of the year as well as the first semi annual installment of fire contract and the fact that income tax receipts are more concentrated in the middle/late part of the year. However, due to large positive variances in both revenue and expenditures, there is a YTD surplus of \$1.3 million.
