**Camp Adventure:**

- Camp Adventure, our trip based camp for middle school aged young people, is off to a great summer.
- To date, we have visited Kings Island and Splatter Park.
- We are still planning to visit the Camp Mary Orton High Ropes Course, another trip to Kings Island and an overnight at Cedar Point.
- Tomorrow we will be taking just over 50 middle schoolers to Zoombezi Bay.
- This summer we have 240 kids registered for Camp Adventure trips.
- We do still have some space on a few trips. Anyone interested should reach out to Bexley Rec to register.

**New Summer Explorer Class:**

- This summer we started a new program called the Summer Explorer Class.
- This program is designed to provide continuing education for preschooler age children throughout the summer in small groups.
- The goal is to help preschoolers keep up and improve their education skills during the summer break.
- The program includes classes 3 days a week for 1 hour, and taught by Jeffrey Mansion Preschool teacher Ms. Alishia.
