

## **Service Department Update**

### **Service Director**

### **Andy Bashore**

### **August 22<sup>nd</sup>, 2023**

#### **Street Department:**

The crews are working on brick repairs and asphalt patches throughout the city. Also, the crew set up for multiple events over the weekend.

#### **Water and Sewer Department:**

The Water/Sewer crew has been working on videoing the city's main lines and looking for issues and identifying lines for future lining projects. The crew finished the water line project at Columbia Place last week. The contractor will be in mid-September to start the concrete repairs.

#### **Urban Forestry/Grounds Maintenance:**

The crews are doing tree maintenance throughout the city.

#### **Drexel Project**

Drexel-Main to Broad-The concrete work is underway which will include curbs, medians, and bump outs. The contractor finished the bump outs and medians between Elm and Powell today. They will be working between Elm and Dale this week. Estimated completion of the concrete work is mid-September.

#### **2023 Sewer Lining Project**

Will go out to bid in late-September

#### **2023 Street Project**

The project will be in late August.

**Grandon Ave- Water Line Project**

The project is underway and the contractor is working between Astor and Mound this week. Project is expected to be complete in mid-October.
