

Agenda 5-16-23

Next meeting is 6-20-23 - NOTE - All attendees of ESAC should now have these recurring meetings on their calendar via an invite from the city of Bexley. If you do not have this pls let Lisa G know separately!!

Tuesday's meeting was brief because most members of ESAC joined the 6:30 Cassingham Calm Corridors meeting together.

- **There were brief updates from two of the subcommittees related to ongoing work on the climate action plan and...**
- **Planned work to engage with Bexley restaurants to understand how to support progress toward sustainable packaging.**
- **There are open seats within ESAC - please consider joining as chairperson or as secretary!!**
- **Most important - here is the link to sign up for waste management activities this summer. Many of you know that I love waste management and plan to join as many of these as I can. Hope you will join us!!** [Waste Mgmt Sign Up](#)

Here are written updates for the city of Bexley shared by Elizabeth:

- **Legislation**
 - **Uni Rec – Will hopefully be voted on at the next meeting**
- **BCS**
 - **4th Grade -- last sessions in the next few weeks**
 - **MS Food waste recycling -- Luca presented to Dr. Williams and John**
- **CAP – We received loads of suggestions from the Capstone groups and are working through them, and are also looking to broaden to have a Sustainability Action Plan with GHG goals and plans**
- **Community Programs**
 - **Farmers' Market**
 - [Solar co-op](#) through Solar United Neighbors
 - [Co-go Bike Share](#)

Message from Kathleen Hayden:

Please save the date for Saturday, 8/26 for a litter pick up on the Alum Creek bike path. 2 local running clubs are hosting it but it will be open to any interested ESAC members.
