

Mayor's Update to City Council

May 8, 2018

N Cassady CRA App Incoming

See 886.082 Former Sunoco Station will be applying for an abatement – ordinance will come before council.

Yard Sale / Freecycle Event

The annual Yard Sale / Freecycle Event is this Saturday! The Community Yard Sale will run from 8am to 1pm. Yard sales may be held in the front yard for this one day only, but may not be held on or in front of the sidewalk or in the street. The Community Freecycle event will run from 1pm to 5pm. During these hours, residents may place items that are unwanted between the sidewalk and the curb. Items that do not fit in this area may be placed directly behind the sidewalk (between the sidewalk and the house). Items or groupings of items must be clearly marked as free for the taking, and must be marked "Freecycle Day."

Safety Fest Report

We had our best ever Safety Fest turnout last Sunday. The new time seemed to work well, and there was clear inertia on the Cops and Kids event. Thanks to the Recreation Department for helping organize the event.

PD – Travel Out of State

Need to get councilmatic approval on upcoming officers going to police appreciation event in Washington, DC.

Online Codified Ordinances

Monthly updates to our codified ordinances are now online. See the “public documents” tab on Bexley.org.

Photo Shoot – May 22

Please arrive early – by 5:30 pm – on May 22nd for photos.
