to the
Bexley
City
Council:: Saturday morning at approximately 9:30 a school parked in front of my house. I was under the impression parking school busses and/or tour busses was prohibited. I called the Bexley Police Department (BPD) to check it out. The responding officer stated enforcement of a possible parking violation is at the discretion of the BPD and chose not to issue a parking citation. I voiced my disagreement with his decision citing congestion and safety issues. I don't believe such vehicles should be allowed to park on Pleasant Ridge south of Astor or Francis. In any event please provide clarification on Bexley's policy regarding parking on Pleasant Ridge south of Astor and Francis of school busses and/or tour busses. Thank you.
