Whereas, the Township Trustees are not required to pay all of the cost of such improvements by a levy upon the duplicate of the Township but may assess a part or all of such costs against real estate upon said improvements, or against real estate within a half a mile, or within a mile on either side thereof according to benefits, and.

Whereas, large sums, the proceeds of said levy have been collected upon the tax duplicate valuation in said village only a portion of which has been expended by the Township Trustees upon the streets of said Village, and.
