

RESOLUTION NO. 345. ✓

By Mr. O. P. Dumlep

Whereas, this council contemplates issuing bonds in the aggregate amount of \$13,000.00 to pay the village's part of the cost of constructing storm drains for the purpose of furnishing surface and storm water drainage to that part of the territory in the Village of Bexley bounded as follows:

Beginning at a point 160 ft. south of the south line of Charles Street and in the center line produced southerly of the alley between Roche Avenue and Peck Avenue; thence northerly with the center line of said alley and with said center line produced to a point in the north line of Main Street; thence easterly with the north line of Main Street to a point where the same intersects the east corporation line; thence southerly with the east corporation line to a point 160 ft. south of the south line of Charles Street; thence westerly and parallel to the south line of Charles Street and 160 ft. distant therefrom to the place of beginning.

in accordance with plans and specifications on file in the office of the clerk of said village, and

whereas, sections 2295-7 and 2295-10 of the general code requires the fiscal officer of the village to certify to this council his estimate of the life of the property, assets or improvements proposed to be acquired or constructed in part from the proceeds of said bonds and also to certify to this council the maximum maturity of such bonds calculated in accordance with the provisions of Section 2295-9, and

Whereas, the village clerk is the fiscal officer of this village, as defined by section 2295-6 of the General Code.

NOW THEREFORE be it resolved by the Council of the Village of Bexley, Ohio, that the clerk be and he is hereby requested to certify to this council his conclusions as required by said sections 2295-7 and 2295-10 of the General Code.
Adopted April 24, 1923.
