CONSENT AND HOLD HARMLESS AGREEMENT

The undersigned property owner and the City of Bexley, Ohio (the "City") agree as follows:

The property owner has sought and obtained permission from the City of Bexley to install a stone retaining wall ("Wall") as indicated below on the property described below and in the easement/right-of-way as described. Approval of the Wall and use of an easement/right-of-way area which is public property is conditioned upon this Agreement.

Dale E. Rucker, his successors and assigns (collectively the "Owner"), shall save the City harmless from any and all damages which may arise from, or grow out of, the construction, installation, maintenance, repair, relocation, removal or replacement of the Wall for any reason and shall defend, at his own cost, every suit in which the City of Bexley, Ohio shall be made a party, brought and prosecuted for the recovery of any such damages; that the occupancy of public property is hereby permitted merely as an accommodation to the said grantee and that no right, title or interest of the public is waived or abridged in any way thereby; that the Owner, upon notice from the City of Bexley, Ohio duly authorized by the Council of Bexley, Ohio, shall forthwith remove said Wall from the public property occupied by it and shall yield to said City all rights to occupy the public property used for such Wall whenever said City shall determine the same to be necessary or desirable; that the Owner releases the City, its employees and agents, from any liability for damage to the Wall arising out of or in connection with any cause whatsoever; that said Wall shall be so constructed as to not interfere with or damage any utility facilities or to impede nor interfere with in any way the use of the easement/right-of-way area, streets, alleys, sidewalks, and curbs by the City and the public; and in the event that the City determines changes to the Wall to be necessary or desirable, the Owner shall promptly make any such changes, relocations, or rearrangements solely at his expense.

This Agreement shall not be construed as in any way limiting the rights presently held by the City in the easement/right-of-way areas, or the use thereof for public purposes, except to promote the construction and maintenance of the Wall in the easement/right-of-way area.
