## NARRATIVE FOR PATROL OFFICER LUKE A SCHWARZ

Ref: 23BEX-18148-OF

On 12/22/23 at 0017 hours, I initiated a traffic stop on a black Hyundai (\*\*\*\*\*) for having one headlight and for a marked lanes violation.

I made contact with the driver \*\*\*\*\* who was the registered owner of the vehicle and was found to be driving under suspension. She stated that she is suspended because she needs an SR-22 and that she is unable to afford it at this time despite working two jobs.

While speaking with \*\*\*\*\*, Sgt. Glick observed a marijuana pipe in the center console which I collected and noted that it had burnt marijuana in it. \*\*\*\*\* was given a warning on all of the traffic violations along with the drug paraphernalia. She was found to be eligible for Project Taillight and was provided this form. A valid driver responded to the scene and drove the car away. The marijuana pipe was submitted into property to be destroyed.

L. Schwarz #28
