On 6/16/25 at approximately 0013 hours, Bexley Police attempted to initiate a traffic stop for improper turn on E. Livingston Avenue. The vehicle failed to comply with the orders/signals of the police and led officers on a slow speed pursuit. The vehicle eventually came to a stop and the operator was placed under arrest for failure to comply. Due to the operator complaining about chest pains, Medic 15 transported the operator to Grant Medical Center and a warrant was filed for the charge.
